#### **Topic: Working with Marginal Notes on German Civil Records**

Marriage, death, and birth records often contain marginal notes that provide additional information you would not find otherwise. These notes can provide additional clues about the person and even family members. They are definitely a shortcut in your research that you should not do without! In this presentation, you will learn how to use these marginal notes in your research to gain deeper insights into your ancestor's life story.

#### **Presenter: Ursula C. Krause**

Ursula C. Krause is a German professional genealogist with a law degree. After many years with her own business Rootseekers and then as a senior genealogist with AncestryProGenealogists, she founded *My German Family* ([www.MyGermanFamily.com](http://www.MyGermanFamily.com)) in 2023, focusing on 20th-century research. Her work has been featured on prestigious genealogical television shows such as "Finding Your Roots", "Who Do You Think You Are" and "Every Family Has A Secret," as well as in an award-winning documentary film "The Upside Down Book".
